

Treasure Bay Bintan extends help to the local community in the spirit of Raya

23 June 2016: The holy month of Ramadhan is about togetherness, sharing, kindness, enjoying simple things such as the company of one another as well as distributing alms. Truly embodying this and the company's core value to recognise and engage the community we operate in, the staff and management of Treasure Bay Bintan organised a breaking of fast or Iftar with the local community in Bintan in a united effort to help those in need.

The event was attended by some local villagers and the Chief of the Region (CAMAT) and the Chief of the Village (LURAH). Also present were 70 orphans from the local orphanage who received Rp. 50.000 as a gift in the spirit of the season while sarongs were presented to village chiefs as a token of appreciation for their continuous support to Treasure Bay Bintan.

The staff sports and welfare committee comprises many representatives from different divisions in Treasure Bay Bintan. As a company that is centered on wellness, it aims at raising awareness on the importance of staying healthy, active and fit as well as establishing close bonds with the staff and local community. Headed by Ibu Nana, Director of Human Resources & Administration, who is assisted by Bapak Banjo Tasning, who is the Business Development Manager, the committee is active in organising events.

"We will be conducting a series of activities after this event including this coming "Idul Adha" (Sacrifice Day). We understand the hardship faced by people and we want to share what we have with them. We aim to raise the socio-economic status for the people in Bintan by sharing the benefits with the local communities. On our part, we not only create jobs and develop competent workers by training them, we also encourage enterprise by working with local suppliers, and add value via local sourcing" says Ibu Nana.
